ARSSS - International Conference on Electrical, Electronics, Computer Science and Information Technology (ICEECSIT) is a prestigious event organized with a motivation to provide an excellent international platform for the academicians, researchers, engineers, industrial participants and budding students around the world to SHARE their research findings with the global experts. ICEECSIT 2019 will be held in Oxford, UK on 18th April, 2019.

The key intention of ICEECSIT 2019 is to provide opportunity for the global participants to share their ideas and experience in person with their peers expected to join from different parts on the world. In addition this gathering will help the delegates to establish research or business relations as well as to find international linkage for future collaborations in their career path. We hope that ICEECSIT 2019 outcome will lead to significant contributions to the knowledge base in these up-to-date scientific fields in scope.

This Conference is sponsored by The ARSSS (Advanced Research Society for Science and Sociology). The conference would offer a large number of invited lectures from renowned speakers all over the country. The Best paper awards will be given for the papers judged to make the most significant contribution to the conference.
